Issue 2 Term 4

Monday 22 October 2018

PRINCIPAL'S REPORT

This term promises to be a busy one, so thank you for staying up to date and sending back information required promptly.

CONGRATULATIONS MAE!

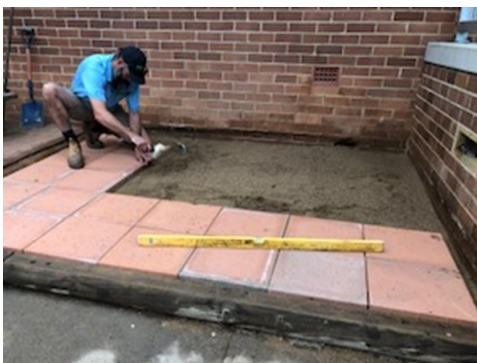

Today I am in Sydney at Parliament House with Mae (Year 6) and her Mum and Dad. Mae has been awarded a Fred Hollows Foundation Humanitarian Award for her work here with younger students and the SRC. Education Minister Rob Stokes and Gabi Hollows will present her award.

A very special achievement indeed, Mae. We are so proud of you!

A VERY BIG THANK YOU

On Saturday, parents led by the P and C helped with a working bee to prepare two grounds areas: the first a large area near the community garden for our new playground equipment; the second installing paving into the dirt area near the flagpole in preparation for an upgraded remembrance area. This will celebrate the Centenary of the Armistice on Nov 9.

It was hard work, lots of digging and preparing. Special thanks to our experts, their equipment, and our willing hands and to the weather for waiting as long as it did. In the end, the rain and lightning ended the day. As a school, we say thank you for your willingness to help. The support of our parents is a big factor in gaining the grants to do this work.

Annette Broadbent,

Principal

ENVIRONMENTAL COMMITTEE

The environmental committee along with the Goulburn Garden Club have started our new garden project.

Ms Julie Elliott, along with other volunteers are working with senior students to kick-start our environmental program in the school garden.

We started with 2 loads of sheep poo (thanks to the Keith family) which we spread around the beds to improve the soil composition.

The next stage called for us to ask for seed donations and egg cartons. The egg cartons came in dozens and we would like to thank the Lasker and Cooper families for their very generous donations of seeds.

Planting started just before the holidays and I would like to take the opportunity to thank Ms Julie Elliot and Mr & Mrs McDonald from the Goulburn Garden Club for volunteering their time, expertise and energy to our gardening efforts.

As a school community we are interested in developing our environmental awareness along with our understanding of sustainability. Please keep an eye on this space for regular information and updates for the environmental committee.
