Issue 3 Term 4

Monday 29 October 2018

PRINCIPAL'S REPORT

Thank you to our school community for supporting Day for Daniel last Friday. There was a sea of red and the children enjoyed their day. In each class, the very important message of staying safe and knowing what to do if they don't feel safe.

As Peer Support is now finished for this year, I send my congratulations to our Year 6 leaders who worked hard with the support of teachers to run a very successful program. We thanked them with a BBQ lunch last week and the whole school received a positive behaviour reward with their tabloid afternoon. More photos on page four.

A reminder that Book Club orders are due Thursday 1 November.

eBooks in the Library

Want your child to keep reading throughout the holidays?

Goulburn West has an e-book collection that can help with that! This electronic service means that students can borrow books from anywhere at any time from any device.

With 30,000 books available from 500 New Zealand and Australian publishers (in addition to 270,000 international titles), there is a book for every student of every age.

To download eBooks from home follow three simple steps:

Search for and download the **ePlatform by Wheelers** app from the app store

Find the Goulburn West library and login using your DET student ID

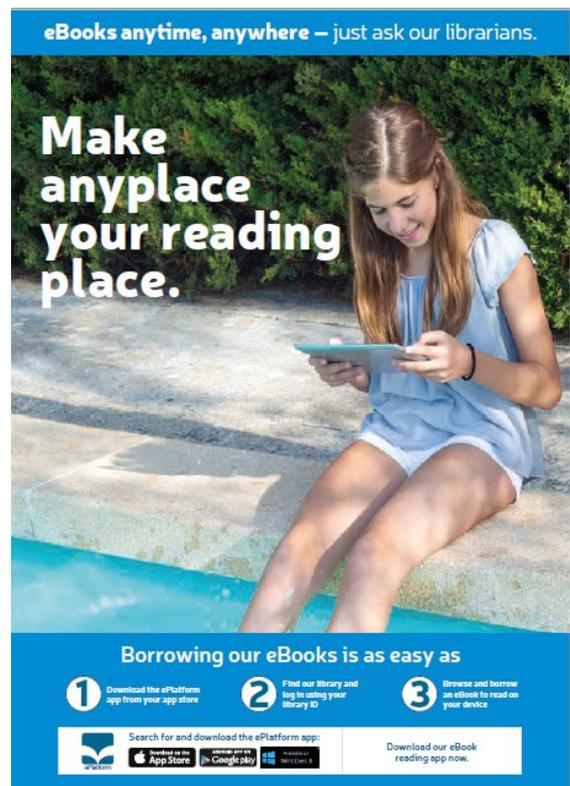

Browse and borrow an eBook on your device

To make it easier for students, the eBooks have also been uploaded into the Goulburn West 'OLIVER' library catalogue. Students can simply go to their student portal, click on the 'OLIVER' library icon at the top of the screen and borrow eBooks directly from our library.

The eBooks are distinguishable by the tablet/iPad icon beside them in the catalogue list. The books will automatically be returned after two weeks. Students can borrow books again as long as they are still on the virtual shelf and have not been borrowed by someone else (just like in a physical library).

Primary school books have been selected for our school. Year levels, suggested age groups or descriptive blurbs give written accounts of each book's content.

When reading an eBook, students can highlight a word they don't understand and get an instant definition to support comprehension. Font can also be made bigger to support vision needs and there is also a dyslexia setting.

eBooks anytime, anywhere – just ask our librarians.

Make anyplace your reading place.

Borrowing our eBooks is as easy as

- 1 Download the ePlatform app from your app store
- 2 Find our library and log in using your library ID
- 3 Browse and borrow an eBook to read on your device

Search for and download the ePlatform app:

The club is for students interested in playing the Pokemon card game. There will be mentors for those new to the game.
