Issue 5 Term 4

Monday 12 November 2018

PRINCIPAL'S REPORT

LEST WE FORGET

Last Friday, the school assembled in front of our developing memorial area to pay our respect on the Centenary of the Armistice to those who served.

Yesterday, students from Goulburn West supported the dedication of the Park Road Memorial in Carr Confoy Park, which recognises those who served the Eastgrove Area.

Thank you to the families, teachers and students who were able to support such a significant occasion.

CAPTAINS 2019

Today I will meet with Year 5 to speak to those students interested in applying for the role of School Captain in 2019. Applications will close this coming Friday, 16th November and speeches will be next Monday here at school in the hall at 12:20. Speeches may be thought about at home, and then written at school next Monday morning. We do this so it is fair for everyone, no matter the level of support possible at home. Interested students will need to get a form signed by a parent or carer. They will get those today. Very best wishes everyone.

This year's captains are a fine example of the commitment and respectful behaviour needed for any student leadership position in our school. They continue to do a wonderful job.

Other opportunities such as Student Mentor, SRC Executive, Library Monitor and House Captain will be decided early in the new year.

REMEMBRANCE DAY

Kelly the Koala- our caped crusader on the war on waste

Last week Mae, Chloe, Miriam and Ella from Year 6, were given the opportunity to showcase Kelly Koala, our caped crusader on the war on waste. Kelly represents all the dedication and hard work ALL the members of the gardening club and the environmental committee have put into creating change in 2018. The girls presented Kelly to the local land council, Art 4 Agriculture and even 2012's Archibald Prize winning artist, Cherry Hood.

They spoke so passionately about the importance of creating a sustainable future. Their knowledge, understanding and motivation to change the way we think, was inspiring.

Movie Night

K-2 kids and their families had great fun watching SING, eating PIZZA and POPCORN in their PYJAMAS at last Thursday's movie night in the school hall.

A big thank you to everyone who came along and for the great spirit of the night. It really was a lovely night!

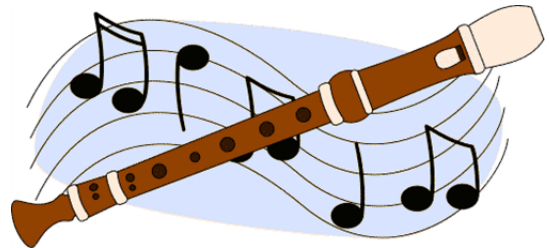

An especially big thank you to the many people who also pitched in to help during the night with serving food and cleaning up the hall at the end of the night. We really appreciate your time and efforts!

We raised \$175 for the P and C on the night.

What should we watch at the next movie night?

Year 2/3 Recorder Excursion

Year 2/3 Recorder students will be attending the Wollondilly Recorder Day tomorrow. The bus will leave at 9.30 am and return before the end of school. There will be lots of fun activities and new songs to learn. Students should make sure they have their recorders and their usual lunch and water. Weather permitting there will be outside play, so students should ensure that they have their hats. For parents who are able to attend, there will be a short concert of the items that we have worked on in the hall at Wollondilly PS at 1.30pm.

Geoff Stewart-Richardson

An invitation to our K – 3 ‘Music with Geoff’ Concert

After a fabulous year of working with Geoff, it is time for our end of year concert to showcase our accomplishments.

Who: Kinder to Year 3 students.

When: Wednesday November 28th.

Time: 10.30 a.m.

Where: School Hall

Year 3 student Bailey Thorpe is making a name for himself – not only in Australia but around the world as a train photographer.

As a three year old he wrestled his grandfather author/photographer Leon Oberg's Nikon DSLR out of his hands to photograph a train, and has not looked back.

Over time, his work, taken while using one of his grandfather's spare DSLRs, has appeared in the railway magazine press, not only in this country, but in the globally circulating UK e-magazine, the *Railway Herald*! And now he has one of his magnificent images appearing in the prestige Bartel 2019 'Great Trains of Australia' calendar, one he took when aged 8.

Not only that, one of his photographs appeared on the cover of a recent glossy Australasian rail industry publication, Track and Signal Magazine.

"A friend and I were chasing a special rail movement to Yass one afternoon and we did not have the heart to leave Bailey behind," Leon told Westnews.

"At several locations when all three of us fired our cameras as the train stormed towards us, Bailey's results were exact clones of mine and my friend's so I submitted the 'little master's' photograph taken near Oolong in southern New South Wales, to illustrate a locomotive story I was writing for the magazine," he added.

Pictures and story submitted by Bailey's grandfather Leon Oberg

Library News

Library borrowing will cease at the end of week 6 (Thursday 22 November).

Please ensure all books are returned by the end of the school year.

eBooks in the Library

Want your child to keep reading throughout the holidays?

Goulburn West has an e-book collection that can help with that! This electronic service means that students can borrow books from anywhere at any time from any device.

With 30,000 books available from 500 New Zealand and Australian publishers (in addition to 270,000 international titles), there is a book for every student of every age.

To download eBooks from home follow three simple steps:

Search for and download the **ePlatform by Wheelers** app from the app store

Find the Goulburn West library and login using your
DET student ID

Browse and borrow an eBook on your device

To make it easier for students, the eBooks have also been uploaded into the Goulburn West 'OLIVER' library catalogue. Students can simply go to their student portal, click on the 'OLIVER' library icon at the top of the screen and borrow eBooks directly from our library.

The eBooks are distinguishable by the tablet/iPad icon beside them in the catalogue list. The books will automatically be returned after two weeks. Students can borrow books again as long as they are still on the virtual shelf and have not been borrowed by someone else (just like in a physical library).

Primary school books have been selected for our school. Year levels, suggested age groups or descriptive blurbs

Goulburn West will be running a Pokemon club for students.

The club is for students interested in playing the Pokemon card game. There will be mentors for those new to the game.

They will meet during recess time, once or twice a week.

NO cards are to be brought in from home.

Due to some very generous donations from , and some of our Goulburn West families, the school has several decks of cards that the club will play with.
